Malligai Dental Academy, Chennai offers an advanced education course – ‘**Endodontics for General Practice**’ The course is tailored to fulfilling the desire of the general dentists, providing a clinical focused academic training with skills immediately applied on our own patients. We deliver an opportunity to practice and learn every step under the guidance and care of our in-house Conservative Dentistry & Endodontics mentor –Dr. Abhishek John Samuel MDS.

What is in it for you?

In our institution we aim to give you an experience based training, which is Practical oriented and designed to help you build your own practice. As you are aware 70% of patients visit a dentist with Endo related problems.

How is our course patterned?

Unlike the textbooks which go in depth into history, outdated materials and techniques and procedures which are not ideal in our circumstances, we bring to you updated, clinical oriented content so that you are armed with the right knowledge for the right time. Nothing more, nothing less.

What is different about this course?

Along with the lectures, you are given an opportunity to work on 5 patients in a fixed schedule convenient to you. There is no greater learning than by actually performing tomorrow what you learn today.

Who is my mentor?

Dr. Abhishek John Samuel is a young, experienced consultant Endodontist having his own practice at Coimbatore. With an average yearly count of around 1400 Root canal treatments, his experience is immense and coupled with his simple style of approaching any clinical situation... it will make learning interesting. His interests include restoration of mutilated teeth, trauma management and smile enhancement.

What else do I gain by attending this course?

We provide you access to our whatsapp group where we discuss clinical cases in a friendly way. You can ask your doubts and be answered by a group and our Mentor which makes learning fun, continuous and easy. Also you are welcome to book our facility for advanced training or more patient work if required.

success in any field*

- Brian Tracy

Malligai Dental Academy is located in the well popular locality of Ashoknagar 7th avenue in Chennai. It is Hardly 8 kms from Chennai Airport by Road and 15 min by Chennai Metro. It was established in the year 2013 for a small group of doctors who want to learn Dental Implants from our Dear Major Pravin. Major Pravin's Goal is "Simplicity makes understanding better". All our courses are very practical, up to date and with definite Practical training on hands on models and live Patient training. We have two state of the art hospitals attached with our academy to learn all the patient related work. Both our hospitals and academy are fully airconditioned and are all located in the ground floor for easy access. We have totally 5 chairs in both the setup with all state of the art facility like in house OPG, LASERS, and Implant surgical motors.

VISION

Our vision for this academy is to help the clinicians to understand the core concept of Implantology, Endodontics and Orthodontics in every day dental practice and to elevate the level of patient care by continuing dental education for the dentist and provide a greater satisfaction level for the patients and to take the art and science of dentistry to next level for future generations.

MISSION

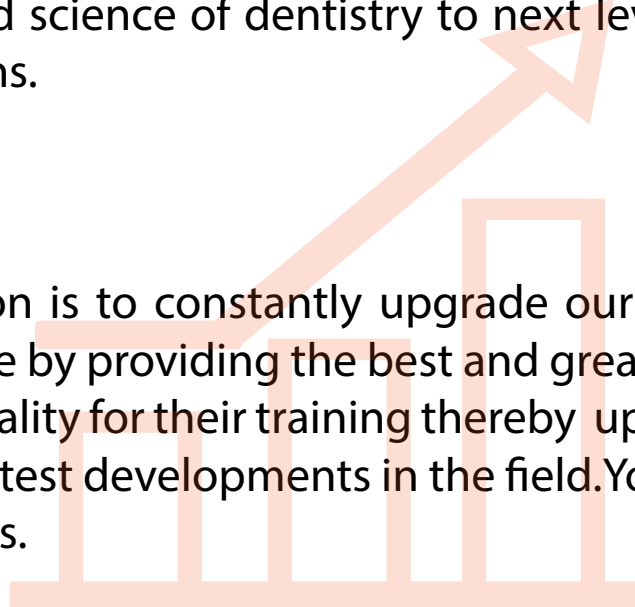

Our Mission is to constantly upgrade our Participant's Knowledge by providing the best and great Mentors on each speciality for their training thereby updating them with the latest developments in the field. Your success is our success.

VALUE

Our Value is what we believe. We believe that Simplicity makes our Understanding of the profession better. We need to learn to grow. No learning is No growth. If we don't grow we are dying. The more we learn The more we earn. We believe that every doctor should invest 10% of their income as minimum commitment to upgrade their knowledge.

Endodontics For General Practice

MALLIGAI DENTAL ACADEMY

**Dr. Abhishek John Samuel MDS
(Endo)**

About the Course Mentor:

Dr. Abhishek John Samuel is a passionate Endodontist, passed out both UG and PG from Tamil Nadu Dr. MGR Medical University, and has his practice in Coimbatore, Tamil Nadu.

He practices exclusively Conservative Dentistry and Endodontics, and has over 5000 cases to his credit.

He has presented papers on Pain Management in Endodontics, Post-endodontic restorations, Premedications in Endodontics, Deep Dental Infections, Psychology of Dentists vs Patients etc in various national conferences, and is a member of the Indian Endodontic Society and Indian Association of Conservative Dentistry & Endodontics.

Testimonials

Dr. ABILASHINI MANOHARAN

I am practicing in Srilanka. This course conducted by malligai dental academy was very useful for me to understand the concept of root canals & do proper diagnosis & root canal treatment by myself. I am very satisfied and I recomend it.

Dr. NAYAN JYOTHI

As an orthodontist this 3 days endo course was very useful for me and I have implemented it in my every day practice. I like it and i recomend it. I also recomend this course conducted by Malligai Dental Academy to all the other non-Endodontics specialists.

Dr. VEENA KRISHNAN

I was very skeptical about it initially, but now I started seeing this course was very useful in my practice. I recomend this course to every doctor who wants to root canal treatment in clinical practice and also the whatsapp support group was very useful for me.
